International mobility opportunities at the Department of Statistical Sciences

Sara Capacci

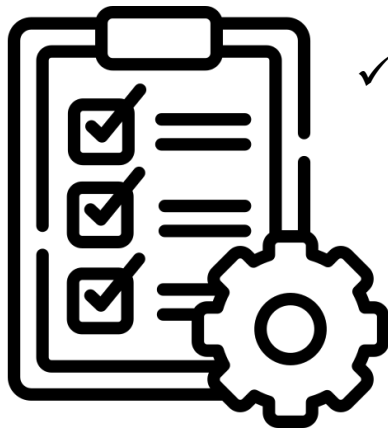

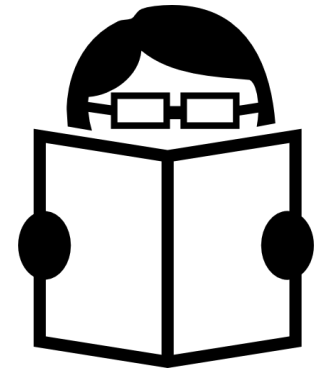

Associate Professor of Economic Statistics

Department Delegate for International Relations

International mobility opportunities

Opportunities to :

- ✓ spend a **study** period abroad:
 - Erasmus+ Study Program
 - Overseas Program
 - Grant for research period abroad to prepare the thesis

- ✓ do an **internship** abroad:
 - Erasmus+ Mobility for Traineeships

Erasmus+ Study Program

The Erasmus+ Programme is an **EU funded mobility programme** promoting students' mobility in **Europe**

As an **Erasmus+ student**:

- you can carry out part of your University career (3 to 12 months) studying in another European country
- you can attend *courses*, sit *exams* and earn *credits* for your studies
- you will receive a *grant* to help you cover part of your costs
- you will be *exempted* from paying tuition fees at your *host university* (but not at your home university)

The **Erasmus+ Study Call for application** is published in **January**, every year

Erasmus+ Study: Where can you go?

- in any of the **26 European Union Member States**
- in the 3 countries of the European Economic Area: **Iceland, Liechtenstein and Norway**
- in the accession candidate countries: **Turkey, the Republic of Macedonia;**
- in some non-EU countries participating in the Erasmus+ Programme (e.g. the **UK**)

The list of partner universities is updated every year. It is available only once the call for application is published.

Who can take part?

- Anyone regularly enrolled at the University of Bologna (Bachelor and Master Students)

Erasmus+ Study destinations supervised by STAT

- 67 destinations
- 19 countries

Overseas

Overseas is an exchange programme promoting student **mobility outside Europe**

- The programme offers students the chance to *attend courses* and *take part in research for dissertation purposes*
- The University of Bologna offers a *grant* to cover some of the costs
- You can spend a *semester* or a *full academic year* abroad

Who can take part?

- Students enrolled in the *second year or above* of a *Bachelor's Program* or
- the *first year or second year* of a *Master Program*

Where can you go?

- You can spend time studying abroad in a university in *4 different continents*: Europe, the Americas, Asia and Oceania (the partner universities include the University of California, l'Université de Montréal, Kansai Gaidai University, Universidad Nacional Autonoma de Mexico)

The **Overseas Call for application** is published in **October**, every year

Study grant for research about final dissertation abroad

Who can apply?

Graduating students from Master Degree Programs at the Department of Statistical Sciences

Aims

Promoting research for the *preparation of the final dissertation*. A grant is provided to cover part of the costs abroad

How to apply?

Students must provide :

- A research project
- Approval by the UNIBO thesis supervisor
- A letter of acceptance from the hosting institution

The **Call for application** is published **twice a year** (in **October** and **March**)

Erasmus+ mobility for traineeship

This EU-funded programme gives the student a chance to carry out a **traineeship abroad** in any public sector company or a private commercial enterprise located in Europe.

Duration of traineeships: from 2 to 12 months

Grant: students will receive a EU grant up to a maximum of 3 months.

Where can you go:

- the 26 European Union Member States
- the 3 Countries of the European Economic Area: Island, Liechtenstein and Norway
- the accession candidate countries: North Macedonia, Serbia, Turkey.

Who can take part?

Students enrolled in first and second cycle degree programmes

The **Erasmus+ Mobility for traineeships Call for applications** is published in **March** every year

You will find detailed information at www.unibo.it

The screenshot shows the website [unibo.it/en/international/Studying-abroad](http://www.unibo.it/en/international/Studying-abroad). The top navigation bar includes 'HOME', 'UNIVERSITY', 'TEACHING', 'RESEARCH', 'UNIVERSITY AND SOCIETY', 'INTERNATIONAL', and 'SERVICES AND OPPORTUNITIES'. The 'INTERNATIONAL' menu item is circled in red. A red arrow points to the 'Studying abroad' menu item in the left sidebar. The main content area is titled 'Studying abroad' and contains the following sections:

- Agreements and networks**
 - European Projects of Education and Training
 - International course catalogue
 - Incoming exchange students
 - Studying abroad**
 - Internship abroad
 - International staff, professors and researchers
